### Junior Cricket 2019

#### Information for Junior Parents & Carers

Welcome to East Ardsley United Cricket Club! In this guide, you will find important information about the 2019 season and details of each junior team we are running. If you have any questions at all, please don't hesitate to speak to myself or any of the junior coaches.

Our aim at EAUCC is to provide a safe and enjoyable environment where children can learn the game of cricket and develop their skills. We believe that our junior members are vital to the success of the Club both now and in the future and wherever possible we will strive to integrate our talented junior players into our 3 senior teams at the appropriate time for each individual player. Most importantly however, we hope that all our junior players will learn to love the game of cricket and that our supporters enjoy their time at the Club.

#### Child Welfare

- EAUCC takes child safety and protection seriously and implements the policies and procedures required by the ECB Clubmark scheme and all Junior Coaches are DBS checked as a matter of course.
- Should you wish to speak to anyone at the Club about Child Protection concerns, our **Child Welfare Officer** is **Tom Daniels** and he can be contacted on: 07756 594022 or via email at [tomdaniels\\_401@hotmail.com](mailto:tomdaniels_401@hotmail.com)

#### Data Protection

We collect personal data as part of the annual registration process for players and parents / carers in order to communicate with you with regard to organising cricket at East Ardsley United Cricket Club and in case of emergency. In some cases this may require the Club to disclose the information to County Boards, Leagues and to the England and Wales Cricket Board. In the event of a medical issue or child protection issue arising, the Club may disclose certain information to doctors or other medical specialists and/or to police, children's social care, the Courts and/or probation officers and, potentially to legal and other advisers involved in an investigation. Your data will be stored securely in password protected files and will not be shared with any 3<sup>rd</sup> parties other than those mentioned above, without your permission. We will not hold your details unnecessarily and regularly review the data we store to make sure it remains relevant for the above purposes. During the registration process, we will ask you for your communication preferences so that you receive only the communications from the Club you have asked for. You can change your preference at any time by emailing [info@eaucc.co.uk](mailto:info@eaucc.co.uk).

#### Equipment

- All teams play matches in cricket whites except All Stars who have their own personalised training shirt. Any suitable sports clothing is acceptable for training sessions.
- EAUCC whites can be ordered online from the Club shop by following the Club Shop link at <http://www.eaucc.co.uk/>
- Under 11s and above use a hard ball and require protective equipment including: Batting gloves, pads, box, helmet, thigh pad, arm guard (optional).
- The Club has a supply of equipment, which players can use if required, though all children should have their own box as a minimum.

### Fixtures / Team Selection / Player Availability

- Fixture Cards will be provided as usual, and fixtures will also be published on the Club website when they are available.
- Coaches will normally communicate team selection via text or email.
- Please make every effort to inform coaches of non-availability in advance of selection, as this is one of the most difficult tasks for the coach.
- Please also respond to messages promptly so that coaches can finalise their teams in plenty of time before each match.

### Cancelling Games / Training

- We will make every effort to give advanced warning via text or email if matches or training sessions are cancelled due to weather.
- In some cases it is not always possible to predict playing conditions prior to arrival at the ground so occasionally training or games may be cancelled at the last minute.
- **Please do not contact coaches asking if matches are on.** On match days, they are often busy at work and not always best placed to assess conditions, however they will let you know a match is off as soon as they know themselves. **Assume the match is on unless the coach contacts you.**

### Volunteering

We always welcome additional help with running our junior teams. Umpiring, scoring, serving refreshments and even helping run coaching sessions are all things parents and carers can get involved with and it's a great way to support your child and the Club. Please don't hesitate to talk to any of the coaches if you'd like to help out.

### Age Groups for 2019

We will be running cricket at 5 different age groups on 2019. Below are the details for each.

#### All Stars (5-8 year olds)

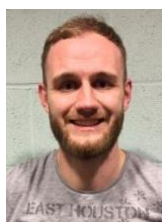

**All Stars Activator:** Jake Alleston
